

LLPA ANNUAL MEETING MINUTES - MAY 3, 2023

Byron Crouse called the meeting order at 9:33 AM

Welcome from Brian Halloran from the Scout Camp. This is their 70th Anniversary.

Introduction of Board Members

Byron Crouse presented a check for \$1700 to Kelly Cupp from the First Responders.

Treasurers' Report presented by Joe Thrasher.

SCBC Report from DJ Ehrick

Introduction of Megan Mader, Lake Scientist and recognition of the NWRPC. She presented an overview and planning process for the "Comprehensive Management Plan".

She asked for volunteers from the membership to help with a habitat assessment.

Byron Crouse - Elections There are 2 Board positions and the Secretary position to be filled

A slate of candidates recommended by the BOD was presented by Byron Crouse. Jim Slessinger and Randy Poznasky to the board (3 year terms) and Jennifer Bingham to fill the two year secretary position. There were no nominations from the floor and a motion to accept the slate of candidates was made and seconded, there was no discussion and the motion passed unanimously.

Randy Poznasky reported on lake levels and LLPA proposed to keep the water levels consistent. He presented a chart looking over the last 10 years. A survey will be sent to all members looking for input on this topic.

John Bowen from KenWay Septic made a presentation on the care of septic systems.

Craig Roberts, DNR Fisheries Biologist for Washburn County presented the results of the Fish Survey and the state of fishery on Long Lake.
