Fall Newsletter delivered

Calendar

- Crunch time. Need to meet and finalize
- Printery has been slow
- Discussion on updating the mailing envelope to provide opportunity to gift a membership to others. This was spun off to a subcommittee headed by Rich Hlava to resolve.

Fundraising & Membership Subcommittee-DJ and Rich**Calendar Envelope**

- Rich H. will head a small subcommittee to discuss how to provide opportunity to gift a LLPA membership.
- Also will discuss how to modify by-laws to define a “household” for potential future voting purposes.
- October saw 2 new memberships

Giving Tuesday Campaign

- Mary Johnson and Linda Flynn have started issuing emails and contacts

Grants & Contracts - Jeff Linkenheld & Randy Champeau

EOR Proposal

- Presented proposal for 2026 phosphorous study work in the amount of \$25,451
- Motion to approve by Jeff Linkenheld, second by Randy Champeau. Passed on a voice vote.
- Jeff will sign EOR proposal and get them signed up for 2026

OLD BUSINESS –

Website Updates

- Brian has reached out to Todd Miller, website host , for help on memorial donations and recurring donations-how to change.
- Brian will connect Dan Kobler (enthusiastic volunteer with connections to bar ad boards) with Rich H to help craft some sort of fundraising messages.

NEW BUSINESS -

Winter Fish Sticks

- No fish sticks this year. Working on a grant for winter 2026-27

Lake District research committee

- First meeting on 12-5-25. Committee is Jesse, Betty, Byron, and Randy C

Blue-Green Algae

- Randy C mentioned an outbreak on Green Lake this summer that made the news.
- Was wondering if we test for algae type with our plant surveys. No – only weedy type plants.
- Algae testing could be a thing to consider in the future.

ADJOURN

Next regular Board Meeting: Vote was to cancel the December meeting

Next meeting will be **January 19, 2026**
